PUBLIC NOTICE

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

1. Applicant: Pfizer, Inc.
411 East Dallas Drive
Terre Haute, IN 47802

2. Agent: Earth Tech, Inc.
6406 Castleway Court, Suite 100
Indianapolis, IN 46250

3. Project location: Southeast 1/4, Section 28, Township 11 North, Range 9 West, Pimento USGS Qaudrangel.
Approximately 0.25 miles northwest of the intersection of South Carlisle Drive and East Dallas Drive in Terre Haute, Vigo County.

4. Affected waterbody: Jordan Creek

5. Project Description: It is proposed to relocate approximately 950 linear feet of Jordan Creek. The length of new channel will be 1,970 linear feet. The project will also require the placement of fill material in 220 linear total of two tributaries of Jordan Creek. The relocated channel will have top of bank width of 20 feet and a channel bottom width of 8 feet and will on average have a depth 2.3 feet. The relocated channel will have meanders, pool/riffle complexes, and a riparian corridor planted with trees and shrubs. The purpose of the project is the hydrolic isolation of the Side Stream Dam Pond as part of the decommissioning of the Pfizer Vigo Facility Wastewater Treatment Plant.

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Mr. Marty Maupin, Project Manager, at 317-233-2471. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
